Changes to your HSBC Credit Card Terms and Conditions

We're changing our HSBC Credit Card Terms and Conditions. These changes are effective from 15 March 2017.

A copy of the new terms and conditions are enclosed for you to read and keep.

If you have applied for a credit card between 23 December 2016 and 14 March 2017, the current terms will apply initially and the new terms and conditions will apply to you from 15 March 2017.

Summary of changes

We've made the terms and conditions simpler.

- We've used plain English and included examples to help explain some of the terms.
- We've avoided legal language, including the use of defined terms, and cross-references between clauses.
- We've removed some rights we had which we never used (for example we don't say you need to return a card to us if you want to end the agreement).
- We've limited the reasons we can rely on to make changes to the terms and conditions. However, we can still make changes without having to rely on one of these reasons, as long as we give you advance notice explaining how a change will affect you, and you can end the agreement if you don't want to accept it.
- We've introduced a standard 30 day notice period for all changes rather than have shorter notice for some changes. We've taken new technology into account.
- There are many new ways of authorising payments (eg, contactless and biometric) and this is likely to continue. We've made it clear you can use any new technology as it becomes available to authorise payments.

We've covered some new ways of using your card.

- We'll tell you if, in the future, instalment plans are available to you. Instalment plans let you repay part of the total amount you owe us in instalments over a fixed period.

We've reflected legal developments.

- We constantly review our customer agreements to make sure we're complying with existing and new laws and regulations, for example new laws requiring greater transparency in contracts with consumers
- A change in law means if you applied for your account online, you may now be able to use the new Online Dispute Resolution platform to refer any complaint to the Financial Ombudsman Service. This is now explained in the 'Important Information' section which also includes a link to the platform.

Timing

The changes will apply from **15 March 2017**.

We hope you'll be happy with the changes we've made but please remember you can end your agreement with us at any time by telling us and repaying everything you owe on the account. If you do this before we apply the changes they won't affect you. If we don't hear from you, we'll assume you've accepted the changes.

Your Information

We've also updated our privacy policy to make clearer how we'll use your data. This is set out under the terms and conditions in the 'Your Information' section.

Credit Card Agreement regulated by the Consumer Credit Act 1974

This agreement is made up of the key terms and the additional terms.

Key Terms

How much can you borrow?

You can borrow up to the credit limit. We will confirm your credit limit after we have signed the agreement. If we change it later, we will tell you before we make the change.

How much do you have to pay each month and when?

We will give you a statement each month showing the minimum payment for that month (we may not give you a statement if you do not need to make any payment).

The minimum payment will be the higher of:

- A. The sum of (a) interest for the period from the last statement, (b) any default charges and (c) 1% of the full amount you owe as shown on your monthly statement (not including interest and default charges).
- B. 2.5% of the full amount you owe as shown on your monthly statement (including interest and charges).
- C. £5.

For example, if the amount you owe on the statement date is £450 including £15 interest and £12 charges, A will give the highest amount so the minimum payment will be £31.23 (£15 (interest), £12 (charges) and £4.23 (1% of £423)). (B would be £11.25 (2.5% of £450)).

If you owe less than £5 you must pay the full amount you owe (eg, if you owe £2.50 that will be the minimum payment).

If you have an instalment plan, the minimum payment will be increased by the monthly instalment. The total amount you must pay will be shown in the statement.

The minimum payment must reach us by the due date shown in your statement. This will be 25 days from your statement date. You can always pay more than the minimum payment to reduce the amount of interest you have to pay. Information about how to make sure payments reach us on time is on the back of the statement.

You must also pay immediately the amount of any missed payments and the amount you owe above the credit limit. If you pay by Direct Debit we will collect these amounts with your minimum payment if you have not paid them already.

You can ask us to collect payments for you (eg, by Direct Debit). You can choose how much you want to pay each month as long as it is not less than the minimum payment. You must try not to pay into the account more than you owe us. We will refund any credit on your account. We will not normally allow you to spend it.

How much does it cost to borrow?

Standard rates and charges

The standard rates and charges that apply are set out on the reverse of the cover letter enclosing your card.

We charge interest from the date each transaction or charge is added to your account until the amount you owe us has been repaid in full. We work out interest on a daily basis and add it to the account on your monthly statement date. If you pay at least the minimum payment each month you will pay off all the interest added to the account that month but, if you don't, we will charge interest on that interest as well as on transactions added to your account.

There are two exceptions to this. We do not charge any interest on default charges. We also do not charge interest on any purchases shown in a statement if you repay the full amount you owe us on that statement date by the next payment due date.

This means that if, for example, you repay in full the amount shown in your July statement by the payment due date in August, we will not charge interest on any purchases added to your account and shown in your July statement. However, even if you don't use your account at all after the July statement date, there may still be 'trailing' interest shown in your August statement. This will be interest we have charged:

- on any cash advances or balance transfers in your July statement (because we always charge interest on cash advances and balance transfers); and
- on any amounts carried over from your June statement.

We also charge interest on trailing interest so even if you pay the trailing interest in full in September we may charge further interest on the account.

Non-sterling transaction charges

Transaction type	Charges added to the account with the transaction	Exchange rates for the day the transaction is converted into sterling
Purchase and Cash or cash related payment	2.99% of the transaction in sterling (minimum charge for cash or cash payment £3). These charges are in addition to other charges (for example a cash transaction in Euro will have two charges).	The card schemes use wholesale market rates. You can find the current exchange rates by visiting www.visaeurope.com/making-payments/exchange-rates or www.mastercard.com/global/currencyconversion .

Default charges

Reason	Charge	Added to the account
For paying late	£12	Up to four days after the date you should have made the payment
For going over the credit limit (even if we permit it)	£12	When you go over the limit
For payments which are returned unpaid	£5	When your bank tells us it can't make the payment
For enforcing repayment, including legal and tracing costs	Our reasonable costs	When we apply for enforcement

Instalment plan and charges

We do not charge interest on the amount you owe on an instalment plan but we will charge a fee which will be added to, and repaid as part of, the instalment plan.

Instalment plan repayment terms and cancelling repayment plans

If you have an instalment plan on your account, the monthly instalment will be the instalment plan amount divided by the number of months you choose for repayment. We won't change the terms that apply to any instalment plan you have added to the account.

You can cancel an instalment plan by telling us at any time. We will cancel any instalment plans on your account if you don't pay at least the minimum monthly payment (including the monthly instalment) for two months in a row. If an instalment plan is cancelled:

- we will only charge you for the time you had the instalment plan (and we'll refund the rest of the fee you paid); and
- the amount you owed on the instalment plan will become part of the overall amount you owe on the account for working out minimum payments and charging interest.

Can we change the cost of borrowing or any other terms?

Changes to terms that are personal to you

If we change our view of your ability to repay us because of information we get from credit reference agencies or the way you manage the account (for example because you often pay us or other lenders late), we may change the rates that apply to you (unless we are aware that you're at risk of financial difficulties) and we may reduce your credit limit.

Other changes to the credit limit

We can increase your credit limit, but you can tell us if you do not want it. You can also ask us at any time to consider increasing your credit limit, or tell us that you would like a lower credit limit, or that you do not want to receive any future credit limit increases.

Changes to rates, charges and other terms for particular reasons (including the terms about how we use Your Information)

We may also:

- increase or decrease rates and charges to take account of an actual, or reasonably expected, change in the interest rates we have to pay for example as a result of a change to the Bank of England Base Rate; or
- increase or decrease our rates and charges and change any other terms to reflect an actual, or reasonably expected, change in our underlying costs or in law or regulation or to our way of doing business, including the introduction of new technology; or
- change any term to reflect any other actual or reasonably expected change that affects us if it is reasonable for us to pass the impact of the change on to you; or
- if you are employed by us, change the interest rates and charges to our standard rates and charges when your employment ends (except if you retire).

Any change we make will be reasonably proportionate to the impact of the underlying change on us. We will not make changes to cover the same cost twice.

Other changes

As this agreement has no fixed end date, we may also change rates and charges and other terms (including the terms about how we use Your Information) for reasons that we cannot predict at the outset.

Telling you about changes

At least 30 days before we make any change we will tell you about the change and how it will affect you. We will do this by including a message in your monthly statement, by writing to or emailing you separately or by sending you a mobile message or message using any secure storage facility we provide online.

Your rights when we tell you about changes

If you do not want to accept any change we tell you about, you can end the agreement without charge (in fact you can end the agreement at any time). The change will still apply until you have paid everything you owe us. However, if the change is an increase to an interest rate, you can repay what you owe us at the unchanged interest rate if you tell us within 60 days of notice of the increase that you do not want to accept the higher rate.

When will the agreement begin and end?

The agreement will begin when we have opened the account linked to your card. The agreement does not have a fixed end date but you and we can end it as explained below. You will normally be able to use the account when we have sent you a card.

How can we use information about you?

We set out under "Your Information" the terms that apply to the way we use information about you.

Can you make a claim against us where you have a claim against a supplier?

If you purchase any item of goods or services costing between £100 and £30,000 using credit under this agreement you may have a right of redress against us as well as the supplier if, for example, the goods fail to arrive or are not of satisfactory quality or the supplier made a representation which you relied on about the goods which was not accurate.

However, if you have a dispute with someone else over a transaction, you must keep making payments to us while you are resolving it.

What could happen if you miss payments?

Missing payments could make it more difficult to obtain credit and result in legal action or bankruptcy proceedings to recover any debt owed under this agreement.

Additional Terms

1. Who can use the account and how?

- 1.1 You, and any person you have asked us to give an additional card to, can use the account for the following types of transaction:
 - (a) To make a purchase.

(b) To obtain cash or make a cash related payment (such as buying travellers cheques or foreign currency, placing a bet (or for some other gambling payment), purchasing money orders or transfers made at your request). We will tell you if there is a limit on the amount of cash you can withdraw each day.

(c) To make a balance transfer by asking us to send a payment from your account to reduce or repay an amount you owe to another lender. We do not normally allow you to transfer a balance from another lender in the HSBC Group (we will tell you if this is the case when you ask us to make the payment). You must tell us at least three working days before you want us to make a balance transfer.

1.2 If we tell you that instalment plans are available on your account, you can also use the account to select a qualifying purchase, balance transfer or other payment which you repay by making a number of equal instalments.

1.3 We will cancel an additional card when you tell us to. We do not have an agreement with any additional cardholder so we cannot give them any information about the account and you are responsible for use of the account by an additional cardholder, including any use that makes you break this agreement. For example if an additional cardholder makes a payment that takes the amount on the account over the credit limit you will be liable.

2. How do you authorise payments?

2.1 When you, or an additional cardholder, make a transaction it must be authorised before we can charge it to your account. You or the additional cardholder will need to provide the card or the card number and will be told the additional steps needed to authorise the payment (except for some low value contactless payments). This could be by signing a paper or electronic document, by using the personal identification number (or PIN), biometric data (such as finger print) or other security details we may agree from time to time.

2.2 If the card, card number and PIN, biometric data or other security details have been used we will assume the transaction has been authorised by you or an additional cardholder. You must therefore tell us immediately if you do not recognise a transaction charged to your account and shown in your statement. You and additional cardholder must not:

(a) use the card or account for any illegal purpose (or allow anyone else to do so); or

(b) go over your credit limit.

When working out whether a transaction you want to make is within your credit limit, we take account of transactions which we have already authorised but have not yet charged to the account. For example, if you have £150 left within your credit limit and we give a hotel authorisation for a payment of £100, we may not allow more than £50 to be spent on the account until the authorisation is cancelled.

2.3 If you, or an additional cardholder, allow someone else to use a card or the card number, you will be liable for all transactions they make until you tell us that the card may be misused using the contact details set out below. You will not be liable for (and we will immediately refund) any other

transactions not authorised by you or an additional cardholder, including transactions made with the card or card number remotely (for example by the Internet, phone or mail order).

3. When will we give refunds for payments you have authorised?

- 3.1 If a retailer gives you a refund for a purchase we will only credit it to the account when we receive details from the retailer. Until then we will charge the relevant rate of interest on the purchase.
- 3.2 Where you, or an additional cardholder, authorise a payment but the amount of the payment is not known (eg, if the card is used to pay a hotel bill but the amount of the payment is not known until check out) then, if the payment charged to your account is higher than reasonably expected, you can ask us to make a refund of the amount charged to your account, as long as you do this within eight weeks of the date that the payment was charged to your account. If you do this, we may need to ask you for information to help us find out what happened. If you are entitled to a refund, we will make it within ten days of the date that we have all the information we need to make a decision.
- 3.3 You can't ask for a refund where you or the additional cardholder gave consent for the transaction directly to us and we or the retailer provided information about the transaction (or made it available) at least four weeks before the payment was made.
- 3.4 If you give us the wrong details for a balance transfer or cash related transaction, or we can show that the bank we made the payment to did receive it, we won't have to give you a refund but we will help you to recover the money (we may charge a fee to cover our costs).

4. Can you stop payments you have authorised?

- 4.1 You can cancel payments which are due to be made on a future date (for example, if you set up a regular payment) by contacting us by the end of the business day before the payment is due to be made (normally 5pm). You must also contact the retailer to tell them you have cancelled the payment.
- 4.2 You cannot cancel any other transaction after you or an additional cardholder have authorised it (for example, it's not possible to cancel a cash withdrawal or payment for goods or services provided at the time of payment).

5. Can we refuse to authorise a transaction or suspend your right to use the account?

- 5.1 We may refuse to authorise a transaction and cancel or suspend use of the account and refuse to replace or reissue a card if authorising the transaction would cause a breach of this agreement or put us in breach of any legal requirements that apply to us or we reasonably:
 - (a) believe that there is a significantly increased risk that you may not be able to repay the amount you owe us (this could be because of the way you manage this account or other accounts you have with us, information we get from credit reference agencies or us finding that you are bankrupt or have made an arrangement with your creditors);

- (b) suspect fraudulent or unauthorised use of the account;
- (c) consider it necessary for the security of the account or card;
- (d) suspect that you, any additional cardholder or third party has committed or is about to commit a crime or other abuse in connection with use of the card or the account.

You may be asked for further information, including verification of your identity, when we are asked to authorise a transaction.

- 5.2 We will tell you if we refuse to make a balance transfer but, for other transactions, you will usually find out if we have refused a transaction because you will be asked for payment by another card, cheque or cash. We will tell you why we have refused the transaction (unless the law prevents us) if you call the contact details below.
- 5.3 We are not responsible if a retailer or supplier refuses to accept your Card.

6. How do we apply payments?

- 6.1 If the amount you pay in a month is less than the full amount you owe, we will apply your payment first to any unpaid arrears or amounts over the credit limit.

- 6.2 We apply what is left in this order:

First: up to the minimum payment (excluding any monthly instalment (or instalments)) and then to any monthly instalment (or instalments).

Second: to the rest of the amount you owe and is shown in your statement.

Third: to any transactions, interest or charges not yet included in a statement.

- 6.3 In each case, we will apply the payment first to amounts on your account which we charge at the highest interest rate followed by amounts we charged at lower rates or which we do not charge interest on (for example any instalment plans). We always pay off interest and charges first.
- 6.4 If some amounts are charged at the same interest rate, we will apply your payment to the oldest amounts first. If you have more than one instalment plan we will apply the payment against the instalments in the order they were added to the account, starting with the plan that has been on the account longest.

7. What steps do you need to take to keep your account secure?

You must:

- (a) take all reasonable precautions to prevent the account from being used for fraud (when we send a card to you or an additional cardholder we will tell you what precautions you can take, for example not keeping your PIN or passwords with the card or making it easy for someone else to find them);
- (b) tell us immediately using the contact details below if you think the card is lost or stolen or the card number, PIN or security details may be used by someone else or fraudulently (if you find a card you have reported as lost you must destroy it and not use it);

- (c) if we ask, make sure all cards issued on your account are destroyed immediately; and
- (d) co-operate with us and the police to investigate any unauthorised transactions.

8. How and when can this agreement be ended?

Ending the agreement on notice

- 8.1 You can end this agreement at any time and without charge by giving us notice. We can end the agreement by giving you two months' notice in writing. In either case, you (and any additional cardholder) must stop using the account and if we provide any benefits with your card, they will also end. The agreement will continue until you have repaid everything you owe.

Ending the agreement for breach

- 8.2 If:

- (a) you repeatedly fail to pay minimum payments on time or go over your credit limit; or
- (b) we find that any information you provided as part of your application was materially incorrect or misleading; or
- (c) you are declared bankrupt or have similar proceedings taken against you; or
- (d) we reasonably suspect any fraud or other criminal activity in connection with this agreement and/or any other facility or account that you have with us;

we can:

- (i) demand immediate repayment of the amount you owe on the account;
- (ii) disclose information about you and the conduct of your account to licensed credit reference agencies (which would make it more difficult for you to borrow in future);
- (iii) restrict access to credit on other accounts you have with us (such as an overdraft or other credit cards);
- (iv) bring legal action to recover what you owe us (which could include getting a court order giving us the right to payment out of the sale proceeds for your home or other property); and
- (v) require you to pay our reasonable costs and expenses for taking action to obtain payment, including legal costs;

but we will give you advance notice and the opportunity to fix the problem before taking any of these steps (unless the problem cannot be fixed).

- 8.3 If we choose not to enforce our rights under this agreement at any time, we may enforce them at a later date instead.

9. Can we transfer our rights and obligations under this agreement?

We may transfer our rights and our obligations under this agreement to a third party, including information about you and how you have managed your account which the third party needs to know. We will tell you if we do this.

10. What law governs this agreement?

This agreement and our dealings with you before the agreement is made are governed by the laws of England and Wales. Any dispute can be dealt with by an English or Welsh court unless your address is in:

- (a) Scotland (where it will be dealt with by the courts of Scotland); or
- (b) Northern Ireland (where it will be dealt with by the courts of Northern Ireland).

We will communicate with you at all times in English.

11. What happens if you cannot make a payment or access your account?

We will not be liable for any loss due to:

- (a) any failure or delay in providing our service caused by strikes, industrial action, failure of power supplies or computer equipment, or other unusual or unforeseeable causes beyond our reasonable control; or
- (b) a retailer or cash machine not accepting, or retaining, your card, or the way in which this is conveyed to you.

This may result in us reporting you to Tax Authorities, withholding any amounts from products or services you have with us and paying those to the appropriate Tax Authority.

Actions we take to prevent financial crime

Members of the HSBC Group may carry out Financial Crime Risk Management Activity. Exceptionally, this may result in members of the HSBC Group delaying or refusing either to process a payment or your instructions, or to provide all or part of any Services to you.

No member of the HSBC Group shall be responsible to you or any third party for any loss incurred as a result of any member of the HSBC Group carrying out Financial Crime Risk Management Activity.

Accessing your information

You can make a written request for a copy of certain personal records we hold about you. The current fee is £10 per request from each individual.

Credit reference and fraud prevention agencies

If you apply for a current account or credit, we may use details of your credit history obtained from a credit reference agency to assess your ability to meet financial commitments.

We may also share information with credit reference agencies:

- About how you manage any current accounts or borrowing from us.
- If we make demand for repayment of a debt and you don't repay the amount owing, or make and keep to acceptable repayment proposals within 28 days (provided there's not a genuine dispute about the amount you owe). This may affect your ability to obtain further credit.

Credit reference agencies record details that will form part of your credit history regardless of whether you proceed with your application for an account or borrowing. If you make several applications in a short period of time this may temporarily affect your ability to obtain credit.

If you make a joint application for a current account or credit, an association linking your financial records with those of the other joint applicant(s) will be created by credit reference agencies. The credit history of your "associates" may be taken into consideration in any future application for credit. This association will remain in place until you file a "notice of disassociation" with credit reference agencies.
